

Baltimore Beach

'The Beach' will be suspending league play to make room for park redevelopment construction which is estimated to last a couple years. Until then our website and social media will update as many playing options as possible in addition to working with the volleyball community to provide opportunities for this great sport locally.

Please respond to this open letter if you are interested in assisting with the continuation of beach volleyball in the area.

Thanks to you, Baltimore Beach is the first and still the only grand scale beach venue in the area to host:

- 25 years of games
- 1200 players/21wk attended Leagues, Clinics, Tournaments and Drop-In Play
- Four (4) Beach Volleyball pro tour stops
- Over two dozen charity events

Our motto, "put a beach break in your week" embraces the idea that attitude and lifestyle make the world better when we all "Bmore Beach." Here's to us all continuing to embrace the beach spirit and pass it on!

Sincerely,
